Dear friends

Hotel School in Poděbrady is commemorating the 45th anniversary of its founding this year. The 12th year of our popular junior bartender competition is going to be one part of the celebrations.

BACARDI-MARTINI Poděbrady Cup 2013

We would like to celebrate our “school’s birthday” by holding a perfectly organised and professional competition - together with our friends and partner competitors whose performances will traditionally bring unforgettable experience. We will be really pleased if even your school takes part and we will create a pleasant and relaxed atmosphere together with other participants.

Detailed information, the application form and propositions of our competition are available on www.cbanet.cz and www.hsvos.cz web sites.

We wish you a successful start of the year 2013 and we look forward to seeing you in Poděbrady in March!
